## **LEARNING AND LOVING IT**

## **SUSTAINING COMMUNITY EFFORTS SYMPOSIUM**

The South Phoenix Regional Consortium is sponsoring a professional development and networking symposium, which includes workshops, roundtable discussions, and networking opportunities.

Please check TCDC's Facebook page for symposium updates.  
Please save the date on your calendars (May 23rd)  
and spread the word.

The symposium is a great way for your parent educators, supervisors, educators, and others interested in children and families to learn more about similar organizations, showcase your organizations, and receive rich, professional learning.
